OPTICAL INTERNET TRANSLATION GANG PRESENTS:

# TMNT 3 (CBB): CHAPTER 4

And here's another chapter down. This one was mostly original scenes not in the movie, I wonder if there was an early script involved? Anyway enjoy Iron and Silver doing a bunch of special moves that don't seem to do much.

OPENTRAIN YOUR BRAIN WITH THIS INFO:
If you have seen a lot of Japanese media about ninjas, you've probably seen a frog involved. That comes from a folk tale about Jiraiya, a ninja who could transform into a big toad.
